

SENIOR AND AMBASSADOR WORKSHOPS

Challenge Island is a Corporate Partner with Girl Scout Councils from Coast to Coast

Our one-of-a-kind STEAM challenges and adventures fulfill Senior and Ambassador Journey requirements. Girls also receive a unique Challenge Island Fun Patch each time they do a workshop with Challenge Island!

SENIOR

THINK LIKE AN ENGINEER JOURNEY WORKSHOP

- ✦ Use the design process and your imagination to engineer solutions!
- ✦ Design and build a can holder that isn't harmful to animals
- ✦ Design and build a unique kinetic sculpture
- ✦ Design and build a prototype of an assistive device for the elderly

Take Action Project Completed Separately On Your Own

3 Hours

AMBASSADOR

THINK LIKE AN ENGINEER JOURNEY WORKSHOP

- ✦ Bring your creativity and engineer some innovative solutions!
- ✦ Design and build a fun monkey playground
- ✦ Design and build an exciting zip line course
- ✦ Design, build and trial mobility equipment

Take Action Project Completed Separately On Your Own

3 Hours
