Girl Scout Camp Goals

- At Girl Scout Camp we provide opportunities for all campers to develop a sense of responsibility, qualities of leadership and an awareness of the capacities of all people.
- At Girl Scout Camp we provide activities to all girls designed to develop resourcefulness, initiative, self-reliance and recognition of the worth and dignity of each individual.
- Girl Scout Camp stimulates each girl's awareness of the scope of nature and develop a sense of responsibility for its conservation and its resources.

Diversity and Inclusion at Girl Scout Camp

Girl Scouts has a strong commitment to inclusion and diversity, and we embrace girls of all abilities and backgrounds into our wonderful sisterhood. Inclusion is at the core of who we are; it's about being a sister to every Girl Scout and celebrating our unique strengths. Girl Scouts welcomes all girls to our camps, regardless of race, ethnicity, background, disability, family structure, religious beliefs, sexual orientation, gender identity, and socioeconomic status. If a girl is recognized by her family, school and community as a girl and lives culturally as a girl, Girl Scouts is an organization that can serve her in a setting that is both emotionally and physically safe.

Troop Time

While at Troop Camp, there will be designated “Troop Time” over the course of the weekend. This time is set aside for troops to have down time on their own as a troop. Have a discussion with your troop and decide what you would like to do during your allotted troop time. Is there a special project you would like to complete?
