

STAY @ HOME CHALLENGE

Share pictures of your challenge tasks to our social media platforms, we're @GSNYPENN.

POINTS REQUIRED PER GIRL SCOUT LEVEL					
DAISY	BROWNIE	JUNIOR	CADETTE	SENIOR	AMBASSADOR
25	35	45	55	65	75

1 point each:

- Make your own puzzle by coloring a picture then cutting it into at least 6 pieces, see how long it takes you to put it together, increase the difficulty by cutting more pieces
- Build the biggest Lego pyramid that you can, post a picture
- Eat a picnic lunch or dinner outside
- Clean your room & make your bed without being asked
- Make a sun catcher by melting crayon shavings inside wax paper using an iron, cut into desired shapes & display in a sunny window
- Make a sock puppet!
- Draw a self-portrait

2 points each:

- Make breakfast or lunch for yourself & your family, post a picture & tag us
- Make your own popsicles using juice, try ice cube trays & toothpicks or a cup with a spoon
- Create a photo collage of you & your friends, hang in your room
- Wait until dark & look to the sky, find a constellation you can identify, then make up your own, draw & name it
- Lay outside for 10 minutes looking at the clouds, name (out loud) all of the images you recognize (think animals, plants or anything!)
- Google how to make ice cream by hand, try it out, post a picture & tag us
- Watch an online tutorial about how to make a napkin into an animal, post a picture of it on our page!

3 points each:

- Learn how to do a chore your parents don't prefer to do, complete it for them for 3 days
- Google how to make your own playdoh, then make it!
- Look around your house for items you can use to build a car, race it on a track you make
- Track what time the sun starts to set & finishes setting for one week using a calendar, what did you observe?

5 points:

- Have a dance party with the occupants of your house, give yourself an extra 2 points if you live stream it
- Send a real paper letter to someone you know & ask them to write back
- Learn how to make a family recipe, find out who brought it into the family & if there's a special occasion when people eat it
- If you have younger siblings, be their teacher for the day & help them with their schoolwork
- Help the universe by starting plants/flowers inside then transplanting them outside when ready, give yourself points for each plant that is successfully replanted outside, see how many you can grow while we're inside!
- Become a birder & try to identify 5 birds you can see in your backyard

10 points:

- Complete all work to earn a badge, give yourself points for each badge earned
- Write in a journal every day while you're out of school to document what's happening & how you're feeling about everything that's happening.
- Gather all of your board games & create a new game using the pieces, write down the rules & play, take a picture of your family playing, post it & tag us
- Build a house/fortress out of cardboard that's big enough for you to fit inside, decorate it & send us a picture with you inside it
- Upcycle a t-shirt into a reusable bag
- Plant a food inside, document from start to when it germinates (when you can see it above the dirt), post a picture & tag us
- Do a load of laundry from start to finish (folded and put away in your dresser drawer/closet!)
- Use no personal electronic devices for a full 24 hours (including cell phone, computer, television)

Complete these activities on your honor. When you're finished, contact our GSNYPENN Store to place your patch order by emailing store@gsnypenn.org.
