

Bronze Award Requirements

General Information

To earn a Bronze Award, Girls MUST:

- ✓ Be a registered Junior level Girl Scout.
- ✓ Have completed one Junior level Journey prior to beginning the project.
- ✓ Keep a detailed log of hours for everyone earning the award and submit with your final report.
- ✓ Submit one completed final report at the completion of the project – reports will not be accepted after September 1st of the girl's 6th grade year. Final report is completed online using the GSNYPENN website.
- ✓ There is no limit to the number of girls allowed to work on a Bronze level project.
- ✓ Using the Bronze Award Guidelines can be very helpful for planning and implementing your project.
- ✓ If your project requires a money earning activity, a request must be completed and submitted to NYPENN. Please note that if your troop has not participated in both the Cookie Sales and the Fall Product Sales you will not be eligible to participate in a money earning activity to support your project.

Bronze Award projects are NOT Community Service Projects – they are Take Action projects, which means:

- ✓ Projects must identify an issue, identify the root cause, and demonstrate a solution to the issue.
