Nomination

Examples of nominee

- A new Daisy leader has started a troop in the community. The volunteer has welcomed all interested girls into the troop with open arms. The troop has already earned all the petals, one journey, and has planted a community garden to donate produce to the local food pantry.
- A new volunteer decided to start a new Cadette troop to support an underserved community. With the volunteer's support the troop has grown into a large multi-level group that serves many girls at a local school. The group has created an anti-bullying program, as a result of the Amaze Journey for the entire school building.
