

# Themed Booth Competition

Each weekend of booth sales this season, our council is hosting a friendly competition. Troops may choose to participate week by week or jump in for all. Before your scheduled booth, create a display inspired by that weekend's theme. Get creative and have fun bringing this to life!

## February 27-March 1: Cookie Kickoff Party!

It's the start of cookie season, let's celebrate! Go all out and create a booth that shows off your troop's personality. Big energy, big fun, big cookie dreams!

## March 6-8: Celestial Sparkle

Daylight Saving Time is here, so let's shine! Think suns, stars, moons and all things cosmic. Make your booth out-of-this-world and get your sparkle on!

## March 13-15: Lucky & Green

St. Patrick's Day is almost here! Turn your booth Girl Scout Green and chase the rainbow. What's at the end? A pot of cookies, of course!

## March 20-22: Spring Has Sprung

Spring is officially here! Bring on the flowers, bright colors and fresh vibes. Let your booth bloom early and spread some springtime cheer.

## March 27-29: Hoppy Easter

Bunnies, eggs and sweet treats! Show customers how cookies make the perfect Easter basket surprise for friends and family.

## April 10-12: Goal-Getter Time

You're so close to your cookie goal, let customers help you cross the finish line! Create fun, fill-in signs to track your progress and celebrate every milestone.

Take a photo of your booth featuring your Girl Scouts and email it to [productsales@gsnypenn.org](mailto:productsales@gsnypenn.org).

We'll select one best-themed booth each weekend; winning entries will be notified and announced accordingly.

We'll also showcase booths on our social media, so be sure to send us your pics and check out everyone's amazing and creative ideas!
