

Financial Assistance Program Guidelines

Girl Scouts of NYPENN Pathways, Inc., is committed to ensuring that all girls are able to participate in Girl Scouting. Financial assistance is part of our continued investment in providing leadership experiences for girls, regardless of socioeconomic status.

The financial assistance program provides confidential, need-based financial assistance to individual girl and adult Girl Scout members. Funds help cover costs associated with membership registration, basic supplies and valuable Council-sponsored Girl Scout Leadership Experience activities or events.

- Financial Assistance should be completed by an adult within the household, who is able to provide the specific confidential information required
- Girls (adults on their behalf) submitting a Financial Assistance application must be currently registered in Girl Scouts of NYPENN Pathways, or seeking a new membership within the Council's jurisdiction.
- Applicant does not have any outstanding debts with GSNYPENN.
- Financial Assistance allocations are made to subsidize the cost of event/activity/camp.
- NYPENN encourages girls and families to contribute to the event/program, uniforms, etc. that they are interested in attending or having for their Girl Scout experience. Financial Assistance is designed to provide supplemental resources to households and families, not full coverage of events or items.
