

Embrace Possibility With Our Treats, Reads & More Program!

Troops,

Did you know that GSNYPENN has a super easy product program before cookie season starts? It's called Treats, Reads & More (TRM)! Girl Scouts offer their friends and family the chance to purchase delicious nut and candy items, magazine subscriptions, Tervis® Tumblers and Girl Scout-themed BarkBoxes™!

Girl Scouts can decide if they would like to use the paper order form (more traditional), online portal (similar to Digital Cookie) or a little bit of both! If you have Girl Scouts who are in fall sports or other activities, they can still participate in TRM by sending emails through the M2 site. They can even earn the Elephant patch just by sending 18+ emails to friends and family members! Participants can also create adorable avatars and include personalized videos and messages when sending their emails. The possibilities are endless!

TRM products are delicious and we have gluten-free options, too! They make great gifts for the winter and spring holidays. Another nice feature of TRM is that it is "one and done," meaning there is one single order placed and the program takes just about six weeks! TRM is also prepaid, so troops can start using proceeds right away. Another amazing TRM feature is that troops can potentially earn more in proceeds than they would during the cookie program! Scan this QR Code to learn more.

Be sure to launch your caregiver email through M2 to all troop caregivers listed on the site at the start of the program on October 1. Reach out to us at info@gsnypenn.org with any questions!

Yours in Girl Scouting,
The GSNYPENN Product Programs Team
